Social

This category recognises individual contributions that benefit the community or volunteer organisations that have improved the lives of Sunshine Coast residents.

Economic

This category was designed to draw attention to individuals that have positively contributed to the economic development of the Sunshine Coast area, or performed their jobs in an honourable manner.

Ecological

This category aims to honour excelling individuals that make a conscious effort to minimize their environmental footprint, or provide exceptional awareness of environmental sustainability to the Sunshine Coast Community.

Youth Achievement

The Youth Achievement category is awarded to people under the age of 25 that show excellence in any of the Social, Economic or Ecological categories.
